B. Recommendation for Practicum

Based on her/his performance in EDPS 6710 or its equivalent, I recommend the student noted above for EDPS 7710: Practicum in Counseling Psychology, at the University of Utah Counseling Center. I understand that the practicum counselor will see authentic clients with a range of presenting issues under supervision of a licensed psychologist. The practicum counselor has demonstrated adequate interpersonal skills, basic counseling/interviewing skills, and professional/ ethical behavior to be prepared for the doctoral practicum. (Please attach a note of any concerns, as well as final supervisory evaluation form, to this form.)
