

**Measure 4. Ability of Completers to be hired in positions for which they have been prepared.**

The following table provides information on the ability of advanced level licensure program completers (EdS) to be hired into education positions for which they have been prepared. The data charts demonstrate the number and percentage<sup>3</sup> of completers that were hired as a school psychologist following completion of the advanced level licensure program. These data are specific to the current completer year (2020-2021) for CAEP Annual Report.
